BILLY GRAHAM FILM
"OILTOWN, U. S. A."

"Oiltown, U. S. A." released by Billy Graham Evangelistic Films, will be shown in Appomattox on Nov. 26. Local arrangements are in charge of the Rev. F. J. Wingfield, who has secured the high school auditorium for the showing.

Evangelist Graham amazed the entertainment and religious world with the world's first Christian western film, "Mr. Texas." More than 5,000,000 persons saw the film in its first two years of showings and the Graham organization reported that over 200,000 persons made "decisions for Christ" through the ministry of the picture.

"Oiltown, U. S. A.," was filmed during Graham's crusade in Houston, Texas, and features the young evangelist and his team in their meetings in Rice Stadium where the attendance was as high as 60,000 for a single service.

The doors to the school auditorium will be opened at 7:00 P. M., with the picture beginning at 7:30 P. M. All seats are on a "first come" basis, with no admission charge.

SEVENTH-DAY ADVENTISTS
SPECIAL WEEK OF PRAYER

Seventh-day Adventists in Appomattox lay aside much of their secular activity next week as they enter into a full week of special prayer and sacrifice. The first service of the week is held Saturday, November 13, at the church.

Led by their pastor, William Carey, members will gather every evening to listen to readings prepared by world leaders of the denomination. The theme of this year's readings, which will be heard in Adventist churches round the world, is "Christian Responsibility," outlining various areas in which Christian People need to improve in their relationships with one another.

Associated with the reading each evening will be a period of prayer in which individual members may participate.

During the week many members will also enter into a period of economic sacrifice, eliminating some expenditures so that a special offering to world missions may be given at the close of the week, November 20.

Nearly 11,000 Adventist churches throughout the world will participate in this week-long observance.

METHODIST BISHOPS' APPEAL FOR KOREA

Methodists throughout the United States are being asked to contribute "a million dollars or more" to the fund for aid to the Korean Methodist Church of South Korea and for relief and rehabilitation in response to the Bishops' Appeal for Korea. November 14 has been set as the day when there shall be "a great outpouring of love gifts" to help in the rebuilding and restoration of destroyed and badly damaged Methodist churches and church-related institutions in South Korea and also to carry forward an evangelistic effort and to care for orphans, the aged and the indigent.

The appeal for the offering for the Korean Church was voted by the Council of Bishops of the Methodist Church in the United States and was approved by the Council on World Service. The Woman's Division of Christian Service of the Methodist Church joins in the promotion of the Bishops' Appeal for Korea.

Under the leadership of Dr. C. C. Bell, superintendent of the Lynchburg District of the Methodist Church, and Mrs. William R. Peelpe of Bedford, president of the Lynchburg District Woman's Society of Christian Service, every Methodist church in the District will observe this day, November 14, as a day on which Methodists will give generously "to help our stricken brethren in South Korea who have lost well-nigh everything but their indomitable courage and faith."

The fund raised in response to the Bishops' Appal for Korea will be administered by the Division of World Missions of the Board of Missions of the Methodist Church and the Methodist Committee for Overseas Relief.

Homemakers Items

How can you put new life in an old rug?

That's an oft-asked question from homemakers, says Miss Ruth Jamison, home furnishings specialist at VPI.

She says when the sizing is gone from the rug, it is limp and wrinkles easily. But you can re-size it easily if you get the right glue at a hardware or department store.

Plan to do the re-sizing job in a room where you can leave the rug to dry thoroughly—at least for 24 hours. Lay the clean rug, nap-side down, on the smooth floor with paper around the edges. Tack it at intervals so it'll stay straight.

To make a half-gallon of the re-sizing mixture, you'll need a quarter of a pound of flake glue, and two quarts of boiling water. Dissolve the flake glue in the boiling water, and you're ready to go to work.

You can sprinkle the glue mixture on the back of the rug, or you can brush it on. A whitewash brush is good for the job. Or a whiskbroom or large paint brush will do.

Keep one thing in mind—use the glue sparingly. If it penerates through the back of the rug it will stiffen the pile. In re-sizing a rug a little glue will go a long way.
